## WHAT WE DO

We produce and deliver engaging educational and awareness content on behalf of our clients to maximize their reach in the drone world.

-  **Webinar**
-  **Mini series**
-  **PR and content**
-  **Regulatory training**
-  **SORA training**

# SORA Training

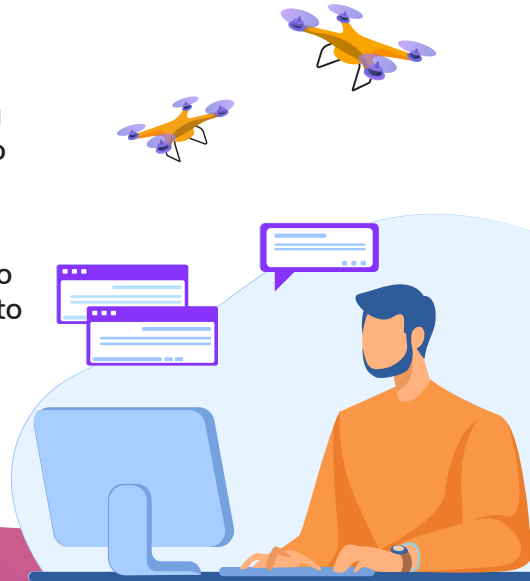

## WHAT TO EXPECT?

- ✓ Two days of intensive interactive training on SORA theory and practical use cases
- ✓ Training level adapted to students profile
- ✓ Access to templates and resources to be used after the training
- ✓ Official certificate of completion

## YOU ARE...

- ✓ An aviation authority aiming to learn how to use SORA to issue operational authorizations
- ✓ A drone company wanting to learn how to use the SORA to gain approvals effectively
- ✓ A team of at least five students

## AND MORE...

Flexible and on-demand

Online or in person

Tailored to your needs

Delivered by Lorenzo Murzilli

Two days of instruction with real use cases
